

WHAT CAN YOU EXPECT

A Patient-Centered Primary Care Home is a health clinic that is recognized for their commitment to patient-centered care. And just as it sounds, patient-centered care is all about you and your health!

Primary care homes are:

Accessible: Care is available when you need it, including someone you can talk to after hours if you have health concerns.

Accountable: Your primary care home is responsible for providing the highest quality care to you and the community they serve.

Comprehensive: You get all the care, information and services you need to stay healthy.

Continuous: Your health care providers get to know you and work with you over time to reach your health goals.

Coordinated: Your health care providers help connect you with the care you need in a safe and timely way.

Patient & Family Centered: You and your family are the most important part of your health. Your care is delivered with respect for your cultural background, and in your preferred language.

As your primary care home, we will:

Better coordinate your care to help get you the services you need, when you need them.

Listen to your concerns and answer your questions.

Offer after-hours help and alternatives to the emergency.

Help you plan an active role in your health.

Your Good Health is our Primary Concern!

Your primary care home will make prevention and wellness a top priority. If you have a special health concern or condition, your health care team will help connect you with other health professionals to get you the care you need. For example, they can connect you with a nutritionist, behavioral health specialist, or a care manager – whatever your health needs call for.

A Patient-Centered Primary Care Home is a health care clinic that has been recognized for their commitment to patient-centered care. In a Patient-Centered Primary Care Home, you're the most important part of your care.

The Patient-Centered Primary Care Home Program recognizes clinics as primary care homes and makes sure they meet the standards of care. The program is part of the Oregon Health Authority whose goal is to improve the health and care of all Oregonians.

As your primary care home, we will:

- *Better coordinate your care to help get you the services you need, when you need them*
- *Listen to your concerns and answer your questions*
- *Offer after-hours help and alternatives to the emergency room*
- *Help you play an active role in your health*

Your health care team wants you to speak up!

YOUR NEXT APPOINTMENT

- Bring a list of questions and tell your care team what important health issues you want to focus on first.
- Use your own words to repeat back the things you've discussed. This way, you and your care team will know the information is clear
- Ask your care team how to reach them after hours
- Before you leave, be sure you know when your next appointment is and the things you can work on to improve your health
- Stay up-to-date on health, safety, hygiene, nutrition and exercise announcements at our website www.ocpeds.com and check us out on Facebook!
- Let us know your preferred method for appointment reminders: Phone call, Text message or Email.

Grievance
