

We Are Now Offering Comprehensive Psychological Assessments!

In addition to our behavioral health integration service, our clinic is proud to announce that we will be providing lower cost comprehensive psychological assessment and evaluation services to our community. Although we are a pediatric clinic we are extending our assessment services to ages 5+.

Testing domains include:

- Intelligence and cognitive testing
- Personality testing
- ADHD assessment
- Academic Achievement and Learning Disability
- Neuropsychological testing
- Behavioral problems
- Emotional concerns
- And more

What to expect for patients:

- Intake interview
- Test administration
- Comprehensive report
- Diagnosis
- Post-assessment feedback and recommendations
- Testing can take 2-12 hours depending on reason for referral

Please contact Timofey Galuza, PsyD our clinical psychologist, to get added to our waitlist or if you have any questions about our services.
